

Hitch-Hiker's Guide to the Festival

This may be your first folk festival, so here's some ideas about what to do!

- Buy your ticket on-line to save you money and time.
- Buy your camping ticket online as well as these are only issued with Season Tickets.
- If you're driving to the festival then follow the signs from the Princes Highway and get to the main entry gate.
- If you're using public transport then walk up to the main entry gate and head for the Festival Office.
- Make sure you get a full programme when you do the ticket/armband exchange. This is your map to the venues, performers and general information.
- Once you've parked the car head for the Global Green or the bar, sit down, grab a refreshment and take a few minutes to study the programme.
- There are 11 venues to choose from. You can either decide who you want to see and when or just take pot luck! Having a highlighter pen is a good idea. Mark the events you want to catch.
- However you may get waylaid by buskers, poets, parades, dancing, impromptu sessions...
- Don't panic if you can't make up your mind! Chances are you won't know any of the acts. Just walk the site! You'll discover music you've never heard or you'll end up dancing, reciting or just

- watching. If you don't like what you see move onto another venue.
- If all this fails, head for the bar or the Global Green. There's food and drink there to fill and refresh your soul. Hint: Have a chat with the bar staff - they usually know the acts and can give you a hand deciding on what to do.
- Don't forget at some point to do some exercise and get up to the Grevillea Park for a concert or two. It's well worth enjoying the natural ambience of the venues there.

- At the end of the day (night) and if you've still got energy then hang around the bar as the musicians will be up for a tune or two. Sometimes the best music is played spontaneously at these late sessions!
- Remember to have fun, but be courteous to your fellow friends when leaving!

Of course there will be Sensitive New Age Drumming Sessions led by Elemental Grooves, Obrobini and The Drop. It's a BYO everything, but a great spot. THE GREAT WOOLLY YARNS COMPETITION

Saturday 11.30am -1.15pm Grandstand Bar

THE GREAT LIMERICK COMPETITION

Saturday 2.30pm-2.15pm Grandstand Bar
